

Every August since 1901, Sedalia hosts the Missouri State Fair. And every year, some of our "extended" Sharky's family come back home to visit - our concessionaires and vendors.

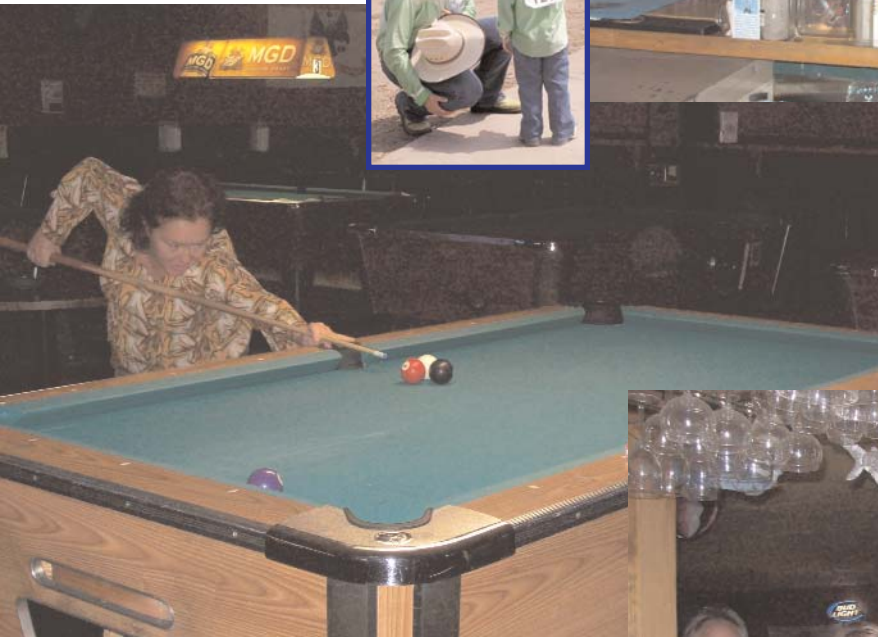

Above: Lisa, are you sure you know what you're doing?

Above: The original "Quartet."

Above: Dave (center front), brings in new "family" members every year. Thanx, Dave!

Above: Well, she's sure acting like she knows what she's doing... but, which pocket is she shooting for?

Above: The two who started it all, Renee and Lisa. We love you, guys!

Below: Steve bartends once a year.

Right: As we all know, Lisa absolutely can NOT talk without moving her hands. If you want a quiet Lisa, just tie up her hands! Luv ya, Lisa!

A PRIVATE party is held once a year at Sharky's Billiards on the LAST Sunday of the Fair for the concessionaires, vendors, and exhibitors. If you work the State Fair in one of these capacities, come join us! Doors open around 6 pm for this party. You can relax, enjoy a bite to eat, and say, "One more Fair down!"
